Re: Closure of Emergency
Administrative Order
Docket No. SDWA-08-2007-0065
South Park Village Subdivision
PWS ID # WY5600836

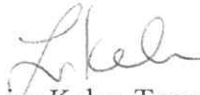

Dear Ms. Daigle:

This letter is to inform you of the United States Environmental Protection Agency's (EPA) decision to close the Emergency Administrative Order (Emergency Order), Docket No. SDWA-08-2007-0065, issued to the South Park Subdivision (System) on June 20, 2007. EPA has determined that the System has completed all actions outlined in EPA's September 18, 2007 letter that related to the Emergency Order and that the water provided by the South Park Subdivision water system no longer presents an imminent and substantial endangerment to public health and therefore will close the Emergency Order at this time.

Please be aware that the Administrative Order, Docket No. SDWA-08-2007-0032 remains open and South Park Subdivision is required to comply with the National Primary Drinking Water Regulations (drinking water regulations), 40 C.F.R. part 141. Violation of the drinking water regulations or an Order may result in a court-imposed injunction and/or penalties of up to \$32,500 per day of violation.

If you have questions regarding the Administrative Order, Docket No. SDWA-08-2007-0032, which remains open, please contact Melanie Wasco at 303-312-6540. If you have any questions about this matter, please call Kimberly Pardue Welch at 303-312-6983.

Sincerely,
